Grosse Pointe Memorial Church

A light by the lakeshore

September 1, 2009

Dear Friend:

I am thrilled that you have worshipped with us lately and I hope that you have been able to get out to one of our summer services by the lake. What a beautiful setting for the communal activity that stands at the center of our community of faith! Whenever you have come to worship, I pray that you feel as enriched by your time with us as we do by your presence.

I am writing to inform you about the next set of new member classes at Grosse Pointe Memorial Church and to invite you to participate. These classes are an opportunity for you to get to know others who have expressed either an interest in joining GPMC or in learning more about it. They also give us a chance to learn more about you- about the gifts that you bring to GPMC and the ways that we can support you on your life journey.

The next class will take place during the month of October. The dates and times are listed on the reverse side of this letter. By then, our Christian education life will be in full swing and our new small group ministry will be starting. While the new member class will be one way to meet people, the Christian education programs and small group ministries will provide us a way to get to know you and to learn how we can be part of your faith journey

Wherever you are on your journey of faith, you are always welcome at GPMC. If you do not feel ready to become a member of GPMC at this time but would like to know more about us via the newsletter or other forms of communication, please let us know. We are happy to have visitors and non-members on our mailing list but we do not want to presume that people want to receive the newsletter and other periodic communications unless we hear otherwise.

If you would like to participate in the next new member class, please contact Pam Radlick in the church office (313) 882-5330. If you have any questions, please feel free to contact me at (313) 884-5207 or gilby21471@aol.com. Should you be interested in joining Grosse Pointe Memorial but are unable to make any of these classes, please reach out to me or to Rev. Peter Henry. These classes are the primary way to join, but we certainly want to make sure incompatible schedules aren't barriers to welcoming those who want to join us on this journey of faith

Regardless of whether you choose to join at this time, we look forward to seeing you again in worship soon and at any of our other many activities.

Sincerely,
Tamara Gilbert, New Member Class Leader
