

# 2011 HONDURAS MISSION TRIP

## Registration Form

Reservations are available on a first come - first served basis, starting June 21!

Our estimates are that trip participants will contribute an approximate total of \$750 toward the cost of the trip. Since space is limited, we ask for a deposit of \$250 when you return this registration form. Checks should be made out to GPMC. Deposits will be refundable up to the time when tickets are purchased (we will notify those registered when that date approaches). If you are able and willing to cover all of your expenses (an additional \$500) please let us know. The Outreach Council has only provided monetary assistance for 20 people, although more can come if some people can pay all of their costs. We have had more than 20 people express interest. If the number of spaces become an issue, priority will be given to GPMC members.

We have reserved dates for a 2<sup>nd</sup> trip since space on one trip is more limited than first thought. Please check your calendar and indicate which or both of the dates you would be available to travel and, if both dates work for you and we need both dates, your preferred date of travel. **The Jan. dates are the confirmed trip at this point.**

Organizational meetings will be held monthly and, in some cases, twice a month, beginning the second week of September. All participants will be expected to attend these meetings to assist with trip planning, organization, Bible study, etc.
