

Memorial 2020
Looking to the Future

GPMC is celebrating **150 years** of worship and service. Our glance backwards inspires us, in turn, to look forward and ask, “What priorities and goals should be in place to as we seek to live out our mission and vision statements between now and 2020?”

- 1.) To provide a Worship experience that extends the welcome of God and the Christian hospitality of GPMC to all guests such that more people know would themselves loved by God and want to join in the work of God through GPMC.
- 2.) To enhance our prayer and praise through the ministry of music by identifying and providing resources necessary to deepen and expand our music.
- 3.) To establish a new Membership Council to create, implement and oversee a ministry of welcome to guests and integration for new members.
- 4.) To equip disciples of all ages to live out their baptismal calling to love God and neighbor through robust, adaptive, and comprehensive Christian education/formation with special attention to resources appropriate to the 21st century and the creation of a ministry for and by young adults.
- 5.) To encourage and elicit vibrant Christian stewardship of personal and corporate resources so that we enhance the economic vitality of GPMC to become a self-sustaining organization.

- 6.) To increase the percentage of our members who regularly participate in our expressions of God's love for the world through outreach ministries and to increase the awareness of our members regarding just how much we do.
- 7.) To better demonstrate the diversity of the people of God by being open to and seeking to alter the diversity of our membership and making diverse offerings to the wider community through guest preachers, teachers and musical offerings.
- 8.) To better tell of the Good News of God's work through the ministries of GPMC to our neighbors and members.
